- 2.5. The firm should have the following registration with statutory departments and should furnish copy of certificates along with technical tender. On demand original shall be produced for verification.
 - 2.5.1.1. Registration of establishment/firm/company/Individual/Small scale Industry.
 - 2.5.1.2. GST registration
 - 2.5.1.3. PAN number
 - 2.5.1.4. Last 2 years IT Returns.

Signature of the Tenderer/ Seal of the Company

- 2.6. Those contractors, who are service base outside of Shimoga, **must establish a service centre in Shimoga** with service engineers and with sufficient spares Within one month from the receipt of work order and furnish the relevant details of the office.
- 2.7. Tenderers shall not be under a declaration of ineligibility for corrupt and fraudulent practices issued by the Government of Karnataka.

2.8. Tender Capacity

- a. Tenderers, who meet the above specified minimum qualifying criteria, will only be qualified.
- b. Even though the Tenderers meet the above criteria, they are liable to be disqualified if they have:
 - i. Made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements and/or
 - ii. Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or
 - iii. Participated in the previous Tender for the same work and had quoted unreasonably high tender prices and could not furnish rational justification.

B. Tender document

The set of tender documents shall have all the sections given in page 4.

3. Amendment of Tender documents

- 3.1 Before the deadline for submission of tenders, the Employer may modify the tender documents by issuing **addenda**.
- 3.2 Any **addendum** thus issued shall be part of the tender documents and shall be uploaded in the e-procurement web-portal.
- 3.3 To give prospective Tenderers reasonable time in which to take an **addendum** into Account in preparing their tenders, the Employer shall extend time as necessary the Deadline for submission of tenders, in accordance with **Clause 10 below**.

C. Preparation of Tenders

4. Documents comprising the Tender

- 4.1 The tender submitted in e- procurement web-portal by the Tenderer shall contain the documents as follows::
- a) Earnest Money Deposit.
 - b) The Tender (in the format indicated in Section 2).
 - c) Qualification Information Form & Documents if applicable; and any other Materials required for completing and submitting by tenderers in accordance with these instructions. **The documents listed under Sections 2 and 4 shall be filled in without exception.**

5. Tender prices

- 5.1 The contract shall be for the whole works as described in Sub-Clause 1.1.
- 5.2 All duties, taxes, and other levies payable by the contractor under the contract, or for any other cause, shall be included in the rates, prices and total Tender Price submitted by the Tenderer.
- 5.3 The rates and prices quoted by the Tenderer shall be fixed for the duration of the Contract and shall not be subject to adjustment on any account.

Signature of the Tenderer/ Seal of the Company

6. Tender validity

- 6.1. Tenders shall remain valid for a period not less than ninety days after the deadline date for tender submission specified in Clause 10. A tender valid for a shorter period shall be rejected by the Employer as non-responsive.
- 6.2. In exceptional circumstances, prior to expiry of the original time limit, the Employer may request that the Tenderers may extend the period of validity for a specified additional period. The request and the Tenderers' responses shall be made in writing or by cable. A Tenderer may refuse the request without forfeiting his earnest money deposit. A Tenderer agreeing to the request will not be required or permitted to modify his tender, but will be required to extend the validity of his earnest money deposit for a period of the extension, and in compliance with Clause 7 in all respects.

7. Earnest money deposit

- 7.1 Earnest Money Deposit only through e-procurement portal only using any of the following five modes.
- 1) **Credit Card**
 - 2) **Debit Card**
 - 3) **Net Banking**
 - 4) **Remittance at the Bank Counter - Challan (Offline Payment)**
 - 5) **NEFT (Offline payment).**
- 7.2 Instruments having fixed validity issued as earnest money deposit for the tender shall be valid for 45 days beyond the validity of the tender.
- 7.3 Any tender not accompanied by an acceptable earnest money deposit and not secured as indicated in Sub-Clauses 7.1 and 7.2 above shall be rejected by the Employer as non-responsive.
- 7.4 The earnest money deposit of unsuccessful Tenderers will be returned within 30 days of the end of the tender validity period specified in Sub-Clause 6.1.
- 7.5 The earnest money deposit of the successful Tenderer will be discharged when the Tenderer has signed the Agreement and furnished the required Performance Security.
- 7.6 The Earnest money deposit may be forfeited:
- a) If the Tenderer withdraws the Tender after tender opening during the period of tender validity;
 - b) If the Tenderer does not accept the correction of the Tender Price, pursuant to Clause 20; or
 - c) In the case of a successful Tenderer, if the Tenderer fails within the specified time limit to
 - (i) Sign the Agreement; or
 - (ii) Furnish the required Security deposit.

8. Format and signing of Tender

- 8.1 The completed bid comprising of documents should be uploaded in the e-procurement portal along with scanned copies of requisite certificates those are mentioned in different sections in the bid document and scanned copy of Bid Security / EMD.
- 8.2 All the documents should be uploaded in e-procurement portal. Tenderer should take a print out of the declaration letter provided in the website on company letter head and should sign, stamp and upload the same to the tender.

Signature of the Tenderer/ Seal of the Company

D. Submission of Tenders**9. Up-loading & submission of tenders.**

9.1 The tenders should be uploaded only through e-procurement portal Tender should contain

A. Technical Tender consisting of following:

- a. Firm/Institution details.
- b. GST registration certificates
- c. Income tax PAN
 1. All the above documents with required details in prescribed format; those are mentioned in different sections in the Tender. etc., shall be downloaded, filled with required details, signed, scanned & uploaded to the e-procurement portal (www.eproc.karnataka.gov.in).
 2. The above documents along with the forms indicated Section-3 of Tender shall be scanned and uploaded to the website compulsorily, failing which tender will be rejected in view of incomplete bid document.

B. Financial Tender

The tenderer shall quote the final value obtained in the financial breakup sheet in the financial section in e-procurement portal only.

10. Deadline for submission of the Tenders

10.1 The Employer may extend the deadline for submission of tenders by issuing an amendment in accordance with Clause 3, in which case all rights and obligations of the Employer and the Tenderers previously subject to the original deadline will then be subject to the new deadline.

11. Late Tenders

11.1 The software of e-procurement system will not allow the Bidder to upload the documents after expiration of the stipulated date & time of Bid submission. The Bidder shall refer the server time, which will be displayed in the e-proc portal. SMU will not be responsible for non-receipt of bids within the stipulated date & time prescribed, due to Internet Problems, improper uploading or any other related problems. In case of connectivity problems, Tenderer may contact Helpdesk of the e-procurement web-portal service provider and may also draw the attention of tender inviting authority.

12. Modification and Withdrawal of Tenders

- 12.1 Tenderers may “modify” and “withdraw” their tenders multiple numbers of times, until the deadline for submission of tenders by operating the relevant provision made in e-procurement. If the Tenderer withdraws the tender before the deadline for submission of tenders and later if he is interested to submit the tender once again, may do so within the stipulated date & time as mentioned in page # 2 before opening date of the tender.
- 12.2 No Tender may be modified/accepted after the deadline for submission of Tenders.
- 12.3 Withdrawal or modification of a Tender between the deadline for submission of Tenders and the expiration of the original period of Tender validity specified in Clause 10.1 may result in the forfeiture of the earnest money deposit pursuant to Sub- Clause 7.6.

Signature of the Tenderer/ Seal of the Company

E. Tender opening and evaluation**13. Opening of Technical portion of Tenders and evaluation to determine qualified Tenderers:**

- 13.1 The Employer will open the **Technical details** of all the Tenders received (except those withdrawn), including modifications made pursuant to Clause 12, after 11.30 Hrs on the date and the place specified in page # 2(IFIT).
- 13.2 The Price Tenders of all the Tenderers including modifications for financial tenders will be opened on the same day or future days after evaluating the technical criteria as per date & time mentioned in page # 2(IFIT).
- 13.3 The Employer will evaluate and determine whether each tender
- a) meets the eligibility criteria defined in ITT Clause 2.
 - b) is accompanied by the required earnest money deposit as per stipulations in ITT Clause 7.
 - c) meets the minimum qualification criteria stipulated in ITT Clause 2. The Employer will draw out a list of qualified Tenderers.

14. Opening of Price Tender of qualified Tenderers and evaluation:

- 14.1 The Employer will open the price tender of Qualified Tenderers as per the scheduled date and time as specified in page 2#. In the event of the specified date of Price tender opening being declared a holiday for the Employer, the price tenders will be opened on the next working day.
- 14.2 The Tenderers' names, the Tender prices, the total amount of each Tender, any discounts, and withdrawals, and such other details as the Employer may consider appropriate, will be announced by the Employer at the opening. No Tender shall be rejected at Tender opening.
- 14.3 The Employer shall prepare minutes of the Price Tender opening.

15. Process to be confidential

- 15.1 Information relating to the examination, clarification, evaluation, and comparison of Tenders and recommendations for the award of a contract shall not be disclosed to Tenderers or any other persons not officially concerned with such process until the award to the successful Tenderer has been announced. Any effort by a Tenderer to influence the Employer's processing of Tenders or award decisions may result in the rejection of his Tender.

16. Clarifications of Tenders

- 16.1 To assist in the examination, evaluation, and comparison of Tenders, the Employer may, at his discretion, ask any Tenderer for clarification of his Tender, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Tender shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Employer in the evaluation of the Tenders in accordance with Clause 18.
- 16.2 Subject to sub-clause 16.1, no Tenderer shall contact the Employer on any matter relating to its Tender from the time of the Tender opening to the time the contract is awarded. If the Tenderer wishes to bring additional information to the notice of the Employer, it should do so in writing.
- 16.3 Any effort by the Tenderer to influence the Employer in the Employer's Tender evaluation, Tender comparison or contract award decisions may result in the rejection of the Tenderers' Tender.

Signature of the Tenderer/ Seal of the Company

17. Examination of Tenders and determination of responsiveness

- 17.1 Prior to the detailed evaluation of Tenders, the Employer will determine whether each Tender; (a) has been properly signed; and; (b) is substantially responsive to the requirements of the Tender
- 17.2 A substantially responsive Tender is one which conforms to all the terms, conditions, and specifications of the Tender documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Works; (b) which limits in any substantial way, inconsistent with the Tender documents, the Employer's rights or the Tenderer's obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other Tenderers presenting substantially responsive Tenders.
- 17.3 If a Tender is not substantially responsive, it will be rejected by the Employer and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

18 Correction of errors

- 18.1 Tenders determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
- a) Where there is a discrepancy between the rates in figures and in words, the lower of the two will govern: and
 - b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern.
- 18.2 The amount stated in the Tender will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, with the concurrence of the Tenderer, shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount the Tender will be rejected, and the earnest money deposit may be forfeited in accordance with Sub-Clause 7.6 (b)

19. Evaluation and comparison of Tenders

- 18.3 The Employer will evaluate and compare only the Tenders determined to be substantially responsive in accordance with Clause 16.
- 18.4 In evaluating the Tenders, the Employer will determine for each Tender the evaluated Tender Price by adjusting the Tender Price as follows:
- (a) Making any correction for errors pursuant to Clause 18; and
 - (b) Making appropriate adjustments to reflect discounts or other price modifications offered in accordance with Clause 12.

Signature of the Tenderer/ Seal of the Company

F. Award of Contract

20 Award criteria

20.1 Subject to Clause 22, the Employer will award the Contract to the Tenderer whose Tender has been determined to be substantially responsive to the Tender documents and who has offered the lowest evaluated Tender Price, provided that such Tenderer has been determined to be and qualified in accordance with the provisions of Clause 2.

21 Employer's right to accept any Tender and to reject any or all Tenders

21.1 The Employer reserves the right to accept or reject any Tender, and to cancel the Tender process and reject all Tenders, at any time prior to the award of Contract, without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the grounds for the Employer's action.

22 Notification of award and signing of Agreement

22.1 The Tenderer whose Tender has been accepted will be notified of the award by the Employer prior to expiration of the Tender validity period by cable, telex, e-mail or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the Employer will pay the Contractor in consideration of the execution, completion, and maintenance of the Works by the Contractor as prescribed by the Contract price.

22.2 The work order will be issued only after furnishing of Security deposit in accordance with the provisions of Clause 23.

22.3 The successful bidder, on receipt of Tender acceptance from the office has to execute an agreement incurring all terms and conditions of the tender in an Rs 100 Stamp paper (non judicial) within 7 days from the receipt of the tender acceptance.

22.4 Failing if the EMD of the bidder will be forfeited and the tender acceptance will be canceled.

23 Security deposit

23.1 Mentioned in IFT Sl. No 7, payment of security deposit Rs. 50,000/- in the form of Cash, Bank Guarantee, Fixed Deposit in favor of Managing Director, Shivamogga, Davanagere & Chitradurga Milk Union Ltd, or in Cash to the Union within 15 days from the date of tender acceptance and work order will be issued after the receipt of Security deposit on furnishing of agreement as per clause 22.3.

23.2 Failure of the successful Tenderer to complete with the requirements of clause 22 & submission of supporting contract documents shall constitute sufficient grounds for cancellation of the award and forfeiture of the earnest money deposit.

24 Corrupt or Fraudulent practices

24.1 The SMU requires that the Tenderers/Contractors, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, SMU:

- a) Will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.
- b) Will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a SMU contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, SMU contract.

SHIMUL reserves the right to extend the contract period on same rate, terms and conditions for further period of three months or till the alternate arrangements is made whichever is earlier. However Managing Director, Shimul has also got the rights to terminate the contract in the interest of the union at any point of time during the contract period or extended period without giving any advance notice depending of the exigency of the situation of breach of any contract conditions.
- 3) The contractor shall not subcontract the maintenance of **CCTV and Biometric** to any other agencies. If the contractor found to have sub contracted the work, the AMC will be terminated and security deposit and any bills due will be forfeited.
- 4) The comprehensive Two years maintenance contract shall include small scale of spares . All internal spare parts of Camera and Biometric are also included under AMC as well as cable Splicing work is also included. The following parts are not included under AMC
 - i. Security Cameras
 - ii. Security NVR
 - iii. CCTV Cable
 - iv. POE INJECTOR/POE SWITCH.
 - v. HARD DISK
 - vi. Biometric Device
- 5) Those contractors, who are service base other than Shimoga, must have a service centre in **Shimoga** with service engineers and with required enough spares. The contractor should always be in a position to replace defective parts of devices without any delay.
- 6) The contractor should provide **one Resedencial engineer** and he should maintain the Camera's and Biometric in dairy premises. The deputed engineer can be changed with the prior written permission of the concerned officer, SMU. Frequent changes of the engineer shall not be permitted.
- 7) The deputed service engineer should have enough skills and communication to handle issues that may arise during the usage. The deputed engineer should be well versed with CC TV and Biometric maintenance and shall have knowledge of Kannada and English language. The deputed engineer shall attend on all working days. However, in case of emergency they shall work as per instruction of Asst Manager (M.I.S/Systems).
- 8) If the service engineer wants to be on leave, then he shall have to inform the Asst Manager (M.I.S/Systems) and the AMC vendor. The vendor on such request from engineer shall arrange a suitable substitute for the relieved engineer. If the AMC vendor fails to provide a suitable substitute for the relieved engineer or the engineer remains absent from his/her duty or do not adhere to duty as mentioned in the clause 6 above, then management has discretion to impose suitable penalty to the contractor.
- 8) As it is comprehensive annual maintenance contract therefore it covers all Labour charges, required spares, wear & tear of components except burnt components and breakage etc.
- 9) Maintenance also includes all device related Software related activities, installation un-installation and integrity maintenance to make the system/ equipment/ network functional.
- 10) System/ Equipment/ Network uptime shall be minimum 99% per quarter.

Signature of the Tenderer/ Seal of the Company

11) TCIL reserves the right of getting the systems/ equipments attended by any other agency, if the complaints are not rectified to the satisfaction of TCIL within 48 hours from the time of reporting the fault. The cost of such repairs etc. shall be at the risk and cost of AMC vendor.

12) In case if fault cannot be rectified at the premises and the equipment needs to be taken out of the premises, vendor shall rectify the defective and reinstalled the equipment within three working days .Transportation charges if any shall be borne by the vendor

13) The service engineer shall maintain complaint log book for complaints received and attended. All the repairs done must be recorded. In the absence of Asst Manager (M.I.S/Systems) the report should be brought to the notice of concerned section.

14)The contractor should insist their service engineers to carry mobile phones to facilitate immediate contact.

15) The contractor should carry out the **preventive maintenance** every month as per the Schedule and a report to be submitted to the Asst Manager (M.I.S/Systems), along with quarter bill to be enclosed along with the service report. Bill addressed to Managing Director. Preventive maintenance includes the following

- a. Check the camera lens is focused and adjusted properly , applicable for all dairies including CC.
- b. Check the camera view hasn't been knocked off path and you can see your property perimeter clearly, applicable for all dairies including CC
- c. Clean any dust or marks off the camera lens with a can of compressed air and wipe down the camera casing with a microfibre cloth, applicable for all dairies including CC
- d. Check wiring for any wear and tear or exposed wires, Check that you're getting a clear transmission of sound and picture with no distortion
- e. Check cables leading from the equipment are in good condition and that there are no weak connections, also need to check switches and individual equipment are functioning fully, applicable for all dairies including CC
- f. Monthly Back Up report pertaining to CCTV and Biometric should provide Including % of backup coverage.

16)SMU will inform complaints to the firm on telephone/email/fax and allot complaint no. The firm should mention the complaint no. & date on the call report at the time of attending the complaint.

17)Any damages while servicing of CC TV's and Biometric by the contractor or service person has to bare the charges. Or , firm shall take the utmost care while servicing.

18)SMU is not responsible for any accidents/injury to the service engineer while attending the repair/servicing at any of our locations and not liable for any sort of compensation to the service engineer or to the firm.

19)SMU may at its own discretion may add more equipment to the AMC or withdraw some of the equipment from AMC. In such cases, payment shall be made on prorata basis at the rate agreed to in the tender for similar equipment.

20)Bidder has to Submit AMC bills once in quarter along with service report from respective dairy and chilling centre.

Signature of the Tenderer/ Seal of the Company

- 21)SMU shall not make any payment or incidental charges towards transportation of systems for repairs from dairy/CC's its offices to their firm. The firm has to make their own arrangement for transportation.
- 22)The Payment after completion of every month will be made after deductions of the applicable taxes. The contractor has to submit the bills month wise. The bill should be accompanied by satisfactory (WORKING) certificate from Asst Manager (M.I.S/Systems).
- 23)The service engineer should register the complaints with the supplies/call centre pertaining to the systems/server which is under warranty.
- 24) SMU is having full rights to terminate the contract by giving one month notice to the successful tender if the work carried out is not satisfactory. In such case, SMU is not liable to pay security deposit/any losses/compensation to the firm.
- 25) Both CC TV and Biometric backup's should maintain mandatorily and should keep with certain retention period, also need backup report for every month , should maintain 100% backup coverage.
- 26) Its contractor or service engineer responsibility to provide the monthly attendance to MIS section with the required format without any discrepancy.

Penalty Clause

- 1)In case of breakdown for more than 48 hours, the firm should provide standby unit until the device is repaired and put back to work. In case the firm fails to provide backup system or fails to attend to it for more than 48 hours, a penalty of Rs. 500/- per day per unit would be levied till the CC camera is set right & put to work.
- 2)In case, the firm takes more than 7 days to rectify the problem and fail to provide standby unit, the SMU reserves the right to employ another firm to get the fault rectified early. The expenses incurred in rectifying the fault including spare parts cost if any will be recovered from the contractor or adjusted in the AMC payment for the subsequent period.
- 3)The Contractor shall be required to handover all the equipment in working condition at the time of termination/completion of contract. Otherwise, the same shall be rectified from the external agencies and whole replacement/repair cost will be borne by the contractor only
- 4)Any disputes or difference arises between SMU and the contractor on any matter within the scope of the contract shall be subjected to jurisdiction in law courts at Shimoga, Karnataka only. It is agreed that no other court shall have jurisdiction to entertain any suit or proceedings even though part of the cause of action might arise within the jurisdiction of any such courts.
